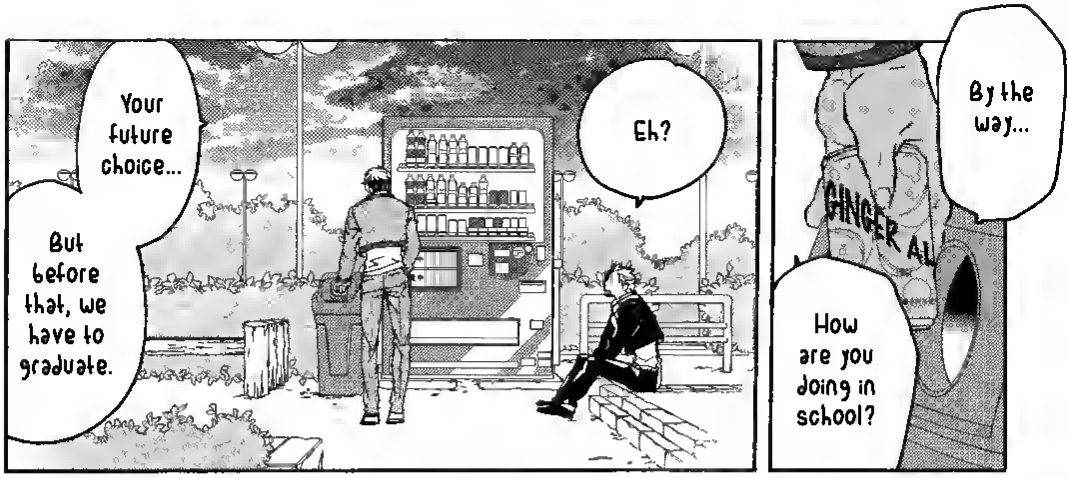
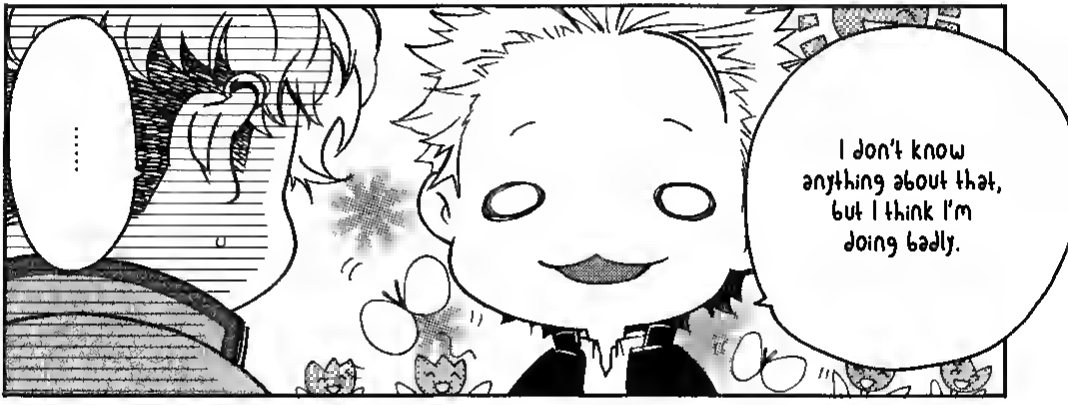
We're invincible together!
It was so easy!
Huh? Eh?! Bastard!
What, bastard?!
You got fired because of that.
Uh... You left the place too, Hachi.
Just as I thought, fighting is really fun!
It is fun, but...
EXCITED
No, don't get excited because of that...
It's just that, if they fire you,
I have no reason to keep working there.



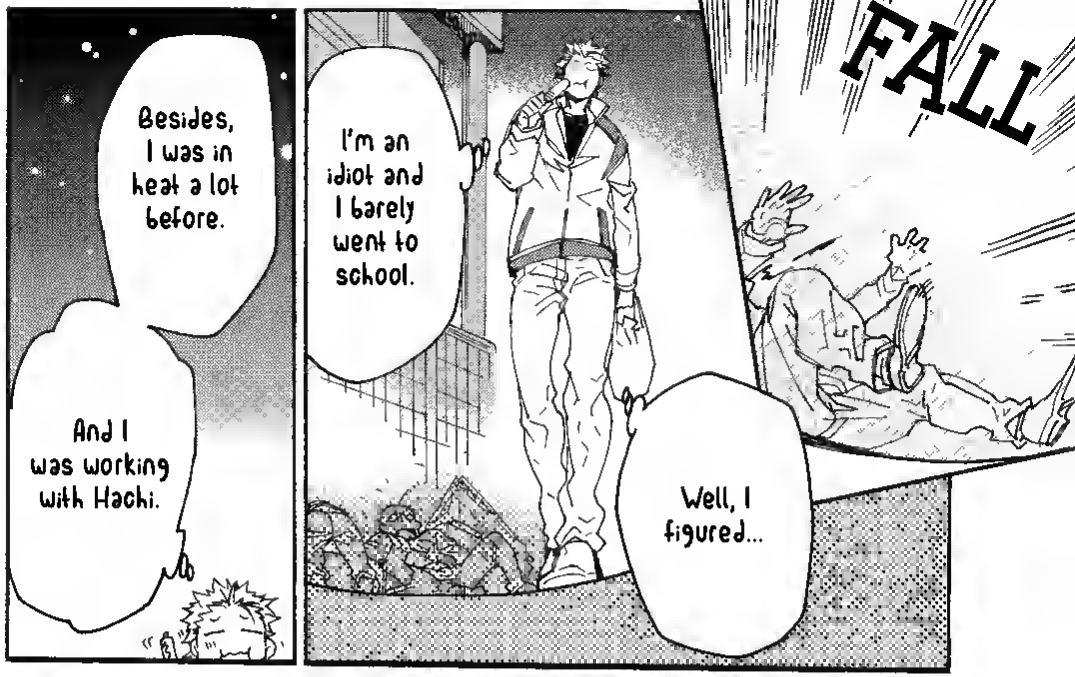
Your future choice...
But before that, we have to graduate.
Eh?
By the way...
How are you doing in school?
GINGER ALE



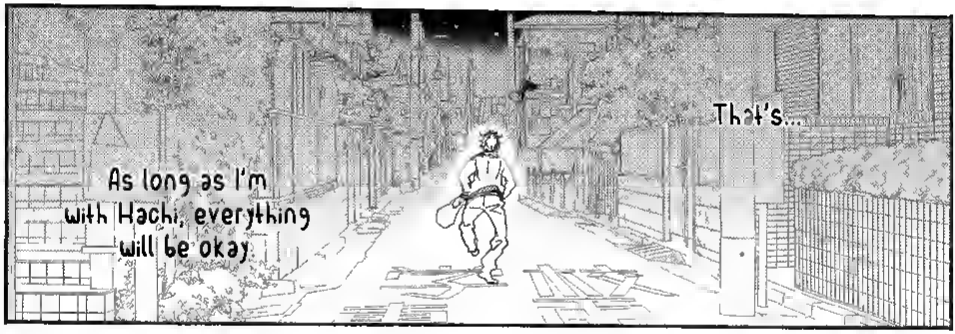
.....
I don't know anything about that, but I think I'm doing badly.

Well, even if I'm doing badly, I can still do something.
Why are you suddenly bringing it up?
No...
It's fine.
It's fine even if it's like that.
How strange

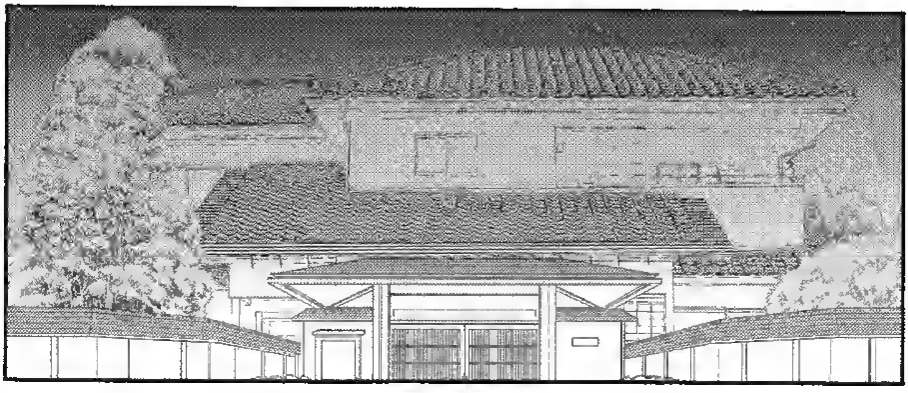
It'll be impossible.
It... It can't be.
Even though he's a third year, he won't be able to graduate.
He has a lot of absences and not enough credits.
Well,
I guess there's no helping it.
Hmph
Kuma-chan



Besides, I was in heat a lot before.
And I was working with Hachi.
I'm an idiot and I barely went to school.
Well, I figured...
FALL



As long as I'm with Hachi, everything will be okay.
That's...



Suzume... Why?
Where's Hachi?
Ah, wait a bit.
Good evening, Kuma-kun!
Hey, Suzume.
What are you doing?
Huh?
Why are you here?
Ha... Hachi's a nerd!
You wear glasses?
What?
Damn it.
Pffff

How rude...
I'm taking a university exam.
And I'm teaching Hachi-kun.
Eh?! You're good at studying?!
You're studying?
I'm going to be the next leader of the group.
And I started to think about the responsibilities that'll be passed on to me. I have to take care of you and the entire group.
Why did you start studying?
But...
BA
M

I won't wander anymore.
It's something I've already decided.
I see.
Then I'm going home.

Hachi...
Is thinking seriously about his future...
I...
Only thought that if I did what I liked most, then it would be alright.
And I only thought about marrying Hachi.
I thought everything would be okay.

I...
But...
I thought
it would've been
okay that way.
RUN

DON'T START!!!
HMPH
And why is Mitsurou-san working?! Call him!
BAM
BAM
I feel really lonely!!!
TAP

Shut up, I haven't lost it.
Hmm... Kuma-kun's visit made you lose concentration, Hachi-kun.
You too...
You've also decided your path, right?

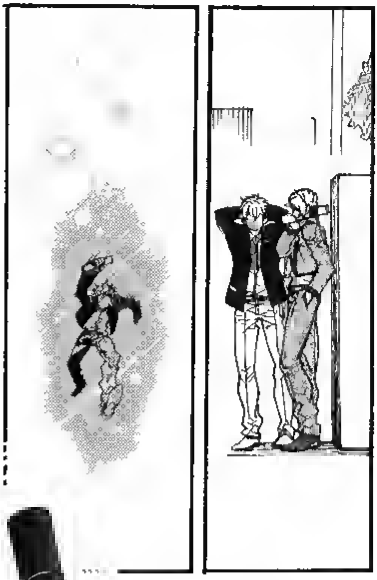
But that depends on your school.
Don't mind the details!!!
Yes!!!
Getting sick is not allowed!
Fighting is not allowed!
Video games are not allowed!
Getting lazy is not allowed!
Getting distracted is not allowed!
Just a bit more...

With this grade...
.....
Will he be okay?
卒業式



You're such a bother.
We have to celebrate Suzume-kun's and your acceptance into university.
Well... Please get ready.
Okay.
Then,
I'll go back to prepare for the celebration.
WAAA

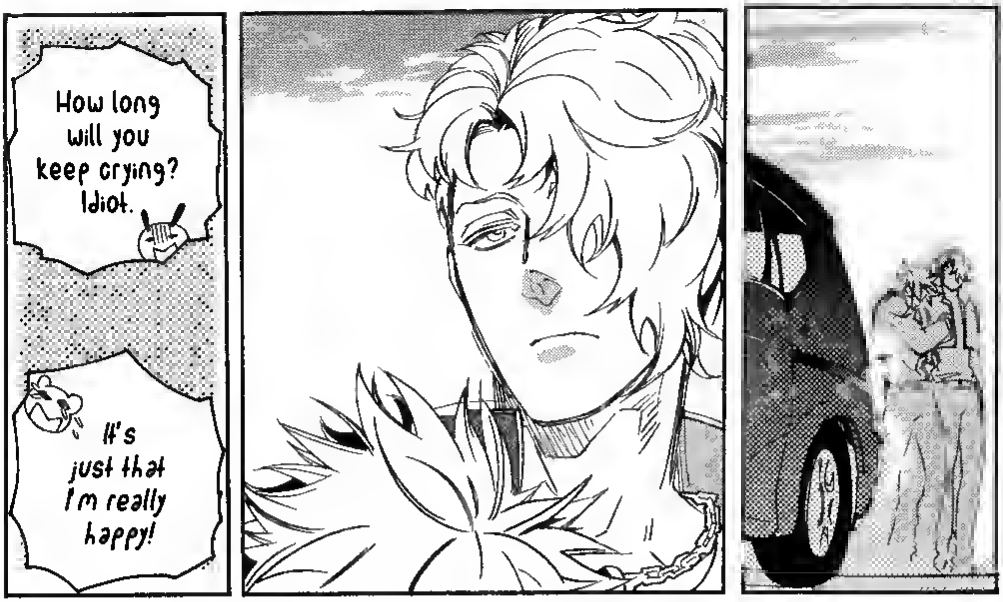
I'll go when he stops crying.
Congratulations on your graduation.
Young master.



How long will you keep crying? Idiot.
It's just that I'm really happy!

Because it's our last day as high school students.
With this uniform...
They took all of your buttons.

But I'm keeping you.

Good work, everyone.
Yes, good work.
He really works hard, that new boy.
He's not that good yet,
but he does it with a lot of enthusiasm.
Ah, Kuma-kun, you forgot this.
Oh! Thank you!

I'll be the sweetest thing you have, Hachi!
